(2017-Present)Websiteoutfit7.com Old Logo of Outfit7 Limited (simply called Outfit7 , stylised clothing7; formerly OUTFIT7) is a multinational company based in London, the company that created Talking Tom and Friends. CEO and co-founder of Sam Login, Outfit7 Ltd. created Talking Tom in 2010, since July 2015 it has created 5 characters (Talking Tom, Talking Angela, Talking Ginger, Talking Ben and Talking Hank). Talking Tom and Friends have reached 300 million downloads after 19 months of release. [3] Talking Tom and Friends is downloaded in more than 230 countries and territories around the world, from South Korea to the Vatican. [4] The history of outfit7 establishment and formation was established by Sam and Iza Login, who studied computer science in college and wanted to join the mobile app business after Apple launched the Apple App Store. In 2009, they invested \$250,000 (approximately 4 billion VND4 in 2009[5]) with six friends and set up an office in Ljubljana, Slovenia, where they developed several applications. Several game apps – soccer app, Icelandic guide app and failed. After six months of effort, they developed a children's app called Talking Tom Cat, in which an animated cat named Tom will be repeated in helium-high hissing with nothing spoken into the iPhone microphone along with other responses to feeding and caressing. [6] Talking Tom and Friends Detailed article: Talking Tom and Friends The debilitating Talking Tom and Friends brand was created by launching talking tom cat. It focuses on cats and dogs repeating what users have said before moving the focus to other apps such as endless running games, virtual pet games and the like. Talking Tom and friends have reached 300 million downloads in the 19 months since its launch. And then it reached a billion downloads in June 2013. [7] Talking Tom and Friends has been downloaded more than 12 billion times since April 2020.
